

APPENDIX
CLAIM AMENDMENT MARK-UPS

1. (Thrice Amended) An Internet television program guide e-mail reminder system for providing e-mail reminder messages of scheduled television events to a user at a multimedia system over the Internet comprising:

a web server for providing web pages of television program listings over the Internet, wherein the web server provides the user with an opportunity to select a television program from the television program listings web pages provided over the Internet, allows the user to order at least one e-mail reminder message for that television program, and sends the e-mail reminder message to the multimedia system over the Internet via e-mail to remind the user when that television program is to be broadcast.

20. (Thrice Amended) A method for providing e-mail reminder messages of scheduled television events to a user at a multimedia system over the Internet using an Internet television program guide system, the method comprising:

providing television program listings over the Internet;

selecting a television program from the television program listings provided over the Internet; and

providing e-mail reminder messages to the multimedia system over the Internet via e-mail that remind the user when the television program is to be broadcast.
